BY THE COMMISSION:

Larry S. Landis, Commissioner

Angela Rapp Weber, Administrative Law Judge

On June 4, 2008, Duke Energy Indiana, Inc. and Wabash Valley Power Association, Inc. ("Joint Petitioners") filed their petition with the Indiana Utility Regulatory Commission ("Commission") in this matter.

Pursuant to notice and as provided for in 170 IAC 1-1.1-15, a Prehearing Conference in this Cause was held in Room 222 of the National City Center, 101 West Washington Street, Indianapolis, Indiana at 1:30 p.m. on August 4, 2008. Proofs of publication of the notice of the Prehearing Conference have been incorporated into the record and placed in the official files of the Commission. Joint Petitioners and the Indiana Office of Utility Consumer Counselor ("Public") appeared and participated at the Prehearing Conference. No members of the general public appeared.

Prior to the opening of the record and with the consent of all parties in attendance, an informal discussion was held regarding procedural and scheduling matters in this Cause. The agreement of the parties was then read into the record. Based upon the agreement of the parties, the Commission now enters the following Findings and Order which should become a part of the record in this proceeding:

1. **Joint Petitioner's Prefiling Date.** Joint Petitioners prefiled with the Commission their prepared testimony and exhibits constituting their case-in-chief on June 4, 2008. Copies of same were served upon all parties of record.

2. **Public's and Intervenor's Prefiling Date.** Public and all Intervenor's should prefile with the Commission the prepared testimony and exhibits constituting their respective cases-in-chief on or before September 4, 2008. Copies of same should be served upon all parties of record.

3. **Joint Petitioner's Rebuttal Prefiling.** Joint Petitioners should prefile with the Commission their prepared rebuttal testimony on or before September 12, 2008. Copies of same should be served upon all parties of record.

4. **Evidentiary Hearing on the Parties' Cases-In-Chief.** In the event this Cause is not settled the cases-in-chief of the Joint Petitioners, Public and any Intervenors should be presented in an evidentiary hearing to commence at 1:30 p.m. on September 22, 2008 in Room 224 of the National City Center, 101 West Washington Street, Indianapolis, Indiana. At such time, the direct evidence of the respective parties should be presented and their respective witnesses examined. Thereafter, Joint Petitioners should present their prefiled rebuttal evidence as well as any additional evidence rebutting evidence adduced on cross-examination of Public's or Intervenors' witnesses. If the parties reach settlement, the agreement should be submitted to the Commission five (5) business days prior to the Evidentiary Hearing.

5. **Sworn Testimony.** Any witness testimony to be offered into the record of this proceeding should be made under oath or affirmation. In accordance with 170 IAC 1-1.1-18(h), if the prefiled testimony of a witness is to be offered into evidence at the Evidentiary Hearing, and the witness sponsoring the prefiled testimony is not required to, and does not, attend the Evidentiary Hearing, the prefiled testimony should be accompanied by the witness's sworn affidavit or written verification at the time the evidence is offered into the record.

6. **Discovery.** Discovery is available for all parties and should be conducted on an informal basis. Any response or objection to a discovery request should be made within five (5) calendar days of the receipt of such request.

7. **Prefiling of Workpapers.** When prefiling technical evidence with the Commission, each party should concurrently file copies of the work papers used to produce that evidence. Copies of same should also be provided to any other party requesting such in writing. When submitting workpapers to the Commission, two (2) copies of each document should be filed with the Secretary of the Commission.

8. **Number of Copies/Corrections.** With the exception of work papers, the parties should file with the Commission an original and five (5) copies of all prefiled testimony and exhibits. Any corrections to prefiled testimony should be made in writing as soon as possible after discovery of the need to make such corrections. Although the Commission's rules require that original copies be one-sided, it is the Commission's preference that duplicate copies use both sides of the paper.

9. **Intervenors.** Any party permitted to become an Intervenor in this Cause should be bound by the record as it stands at the time its Petition to Intervene is granted, pursuant to 170 IAC 1-1.1-11.

IT IS THEREFORE ORDERED BY THE INDIANA UTILITY REGULATORY COMMISSION that:

1. The determinations of the Prehearing Conference set forth in this Order are made a part of the record in this Cause and shall be binding on all present and future parties of record during the proceedings of this Cause.

2. This Order shall be effective on and after the date of its approval.
